## A Message From Jay

Welcome to May!

It looks like we will have some pretty mild weather for the first half of the month. April was a busy month for me in addition to work. I went to the Brewers' opening day with my two sons and some good friends of mine. I've been going with my friends for more than 30 years! Luckily, we tailgated with some other guys that were professionals! The weather was nasty, but they had tents with sides on them and heaters too. It's always nice to get a victory on Opening Day! I went with family and friends to 2 of the games last weekend against the Yankees. We won on Friday night, but lost on Sunday. My wife, Sara and I went to the Bucks 1st playoff game when Damian Lillard had 35 points in the first half! I haven't heard a Bucks crowd so loud in a long time and we did bring home a victory that night. Sara and I attended the Luke Combs concert at American Family Field with friends as well. He put on a great show as usual.

Sara and I also got away to Florida for 9 days with a Mutual of Omaha advisors' incentive trip. We spent a few days in Key Largo at an exclusive resort. We had very nice weather. We went on a tiki boat sip and sail cruise, and a private yacht cruise. In Boca Raton, we got to meet and listen to Chris Evert, who is one of the best female tennis players of all time. That afternoon we went on a catamaran sailing yacht and drove some jet skis in the canal. One morning, I went deep-sea fishing and I caught a nice barracuda and we caught some mahi-mahi as well! We had the restaurant cook the mahi-mahi for us for lunch. That evening, we had a group dinner on a yacht cruise. Another day we chose to hang out at the beach, and I played a little soccer, bags and volleyball. The final day we hung out at the pool and had a nice relaxing dinner on the water. A great trip overall and lots of fun in the sun!

Be well,  
Jay
