A Message From Jay

Welcome to June!

The weather looks to be very nice for the first part of the month. On May 10, I took part in the Germantown Gridiron Club's annual golf outing at Scenic View Country Club. I just retired from the Gridiron Club's Board of Directors after 15 years. This is a nonprofit organization which supports and enhances the Germantown football program through fundraising and community engagement.

Our annual golf outing is the big fundraising event each spring. The money raised from this outing goes to award the senior football players Academic scholarships towards their future education endeavors after high school. It is always a great event for a great cause! I will continue to support this organization, even though I will no longer be on the board. I hope everyone has a good start to your summer!

Be well,
Jay

Directions

1. Preheat oven to 350 degrees F
2. Line the bottom and sides of a 9-inch pie plate with a layer of alternating vanilla wafer crumbs and banana slices.
3. To Make Pudding: In a medium saucepan, combine 1 1/2 cups sugar with flour. Mix well, then stir in half the milk. Beat egg yolks and whisk into sugar mixture. Add remaining milk and butter or margarine.
4. Place mixture over low heat and cook until thickened, stirring frequently. Remove from heat and stir in vanilla extract. Pour half of pudding over vanilla wafer and banana layer while still hot
5. Make another layer of alternating vanilla wafers and banana slices on top of pudding layer. Pour remaining pudding over second wafer and banana layer.
6. To Make Meringue: In a large glass or metal bowl, beat egg whites until foamy. Gradually add 1/4 cup sugar, continuing to beat until whites are stiff. Spread meringue into pie pan, making sure to completely cover pudding layer.
7. Bake in preheated oven for 15 minutes, just until meringue is browned. Chill before serving.
